Friday, April 3 at 6pm
Room 7126 Classroom Building at Savannah Tech,
5717 White Bluff Rd, Savannah, GA 31405
Doors Open at 5:30 FREE to the public

“VAPE” is a documentary and campaign about the use of E-cigarettes **especially in the youth community** to understand the spectrum of health issues and dangers associated with these products. Because the number of youth users is rising dramatically, the program explains the product, its forms and its various uses including nicotine and cannabis consumption.

Produced/Directed by Emmy © Award winning producer/director Chris Schueler
